freshmen

The first day we entered Bexley High School we became a part of its tradition of excellence. Now we have taken our first steps toward becoming worthy members of the school community and adding luster to its name.

Becoming a freshman is a new and exciting experience, but we realize that there is still much to learn throughout the coming years.

As has been the custom in the past, we as freshmen sponsored the spring frolic dance at the Jeffrey Mansion. This project was the beginning of our money-making endeavors.

Besides being noted for our good scholarship, we have become active in the school's athletic program.

The officers this year were Dick Wolman, president; Ann Gimre, vice-president; and Susan Glick, secretary-treasurer.

sophomores

Excellence is attained at the price of great labor. The thought is not new, but its meaning became clearer to us as sophomores.

It was through hard work, enthusiasm, and resourcefulness that we won both the class and individual prizes in the sales tax drive; that we promoted successful bake sales, basketball and football concessions, and profitable dances; that we began to build a reserve for the big prom which will be our responsibility next year.

Along with all members of the faculty and the student body, we especially wish to express our deepest sympathy to the family of our classmate, Philip Goldberg.

This year's officers were Fred Davidorf, president; Ann Mechling, vice-president; and Sally Abel, secretary-treasurer.

juniors

Excellence means many things to many people. As juniors, we have dipped into all phases of school life and have tried to live up to the traditions of great classes which have gone before us.

Long before the theme of our prom was finally selected, our projects were bearing fruit. Track and baseball concessions, all basketball concessions this year, the big dance after the Arlington basketball game — these endeavors made it possible for us to present an original prom: a Central American jungle in three dimensions.

To the family of our classmate, Fred Medors, who would have been co-captain of the 1956 football team, we of '56 join the faculty and the entire student body in expressing deepest sympathy.

This year's officers were Will Reed, president; Babs Jones, vice-president; and Delores Hawraney, secretary-treasurer.

seniors

We take our place beside the long line of distinguished classes whose students have built the Bexley tradition, hopeful that we have added a contribution of our own.

When we were freshmen, our float took first prize in the homecoming parade. Our senior float this year won the same distinction. The "Undersea" prom which we sponsored as juniors was a superior achievement in scope and originality.

The serious and civic-minded leadership of our senior class was responsible for bringing to Bexley the Ohio State Convention of Student Councils. Our athletic prowess was well demonstrated when the basketball team, composed mainly of seniors, won the Central Buckeye League championship.

Class officers for '55 were Benjy Zox, president; Walter Jeffrey, vice-president; and Marvin Stone, secretary-treasurer.

student government

Excellence in leadership is most effectively portrayed in the student government of our school.

Student government stands for the ideal that the students should share in the governing of themselves. Student Council, the parliamentary branch; Student Court, the disciplinary branch; Student Health Council, the welfare branch; and the Student Hall Monitors, the enforcement branch, are all included under student government.

In our high school student government is not a group of students rebelling against the faculty, but rather a group of leaders trying to aid both the faculty and the student body. It strives to help the faculty with its administrative problems and to develop leadership in those who participate in its activities. Only through wise leadership can co-operation between students and faculty be achieved.

Student Council

The 1954-55 Bexley High School Student Council under the leadership if its officers Jack Betz, president; Pete Halliday, vice-president; and Beverly Fleishman, secretary, and the guidance of its advisor, Mr. Tipton, had a very busy and successful year.

All meetings were conducted under parliamentary procedure, an innovation for the Council which proved very successful. Formal notebooks were kept by all members of the Council and from these all projects were reported to the students in homeroom. The Council handled the homecoming festivities and the homecoming dance. It provided a Christmas tree and Christmas decorations in the school halls. Thirty baskets of food for needy families were collected and delivered by the Council. The annual New Year's Eve party was another project which the Council supervised.

On the agenda this year was the revision of the Student Court Constitution, the revision of the bill on the limitation of student activities, the creation of a committee to monitor the cafeteria and a revamping of the rules governing the homecoming float contest.

The biggest project ever undertaken by a Bexley Student Council was the hosting of the first annual conference of the State Association of Student Councils.

Included in the program are the problems concerning the halls, locker rooms, and cafeteria. Their annual projects are the United Appeals campaign and the Red Cross drive.

Student Court

With Benjy Zox as Chief Justice, the Student Court completed its sixth successful year.

Activities of Student Court included making the parking lot a safe place to drive, writing a complete court constitution, helping the students with descipline problems, and helping Student Council with general problems.

The members of Student Court wish to express their appreciation to the students and faculty for their co-operation in helping to improve the school.

Ohio Student

Early in September plans were started for one of the biggest projects that Bexley High School had ever undertaken. The second annual conference of the Ohio Association of Student Councils was held Friday and Saturday, April 29 and 30, 1955. Under the able leadership of Jack Betz, general chairman; Miss Thomas, registrar; Mr. Tipton, advisor; Beverly Fleishman, Pete Halliday, Walter Jeffrey, Harlan Pollock, Marvin Stone, and with the assistance of the Bexley Student Council and the student body, the plans for the convention were carried out. Over four hundred high school students and sponsors from all parts of Ohio came to Bexley to attend.

While here, the delegates were provided

with over-night housing by the Bexley High School students.

The various aspects of the theme, "Training for Leadership," were discussed in small groups led by both students and advisors.

Several outstanding speakers, including Lieutenant Governor John Brown, Dr. Howard L. Bevis, Dr. E. D. Jarvis, Honorable William A. Schneider, and Mr. W. W. (Woody) Hayes addressed the conference.

One of the highlights of the two-day convention was the banquet and dance held on Friday night at the Ohio State Student Union. Toastmaster Jack Betz welcomed the delegates and introduced the guests. Music for the dance which followed the banquet was provided by Chuck Selby and his orchestra.

activities

To achieve excellence in any field one must have goals by which he can measure his progress.

At Bexley High School the National Honor Society recognizes the students who have achieved the qualities necessary to the well-rounded individual. Quill and Scroll, the other honorary, recognizes outstanding contributions to the field of journalism.

Our school publications are always of a superior quality. This quality creates a standard for the next class to meet.

For the student who tends toward music there is the choir and the band. Only the best are admitted. Thus a pattern is set for the glee clubs and beginning instrumental groups.

Through the years a tradition of excellence has been achieved. The goal for each class is a little higher; but with the opportunities presented higher goals can be attained.

Back row: Monty Sher, Barry Wolman, Sue Fleming, Barbara Hays, Joyce Smith, Jim George, Jackie Scott, Sandy Boesch, Joan Planson, Charles Lindenfeld, Larry Krakoff, Mr. Matthews. *Front row:* Judy Grant, Gerry Shkolnik, Joy Solove, Dick Basch, Betsy Nida, Sue Strahm, Bob Connell, Dave Spitler.

Torch

New ideas and hard work have gone into the thirteen editions of this year's TORCH. With Mr. William Matthews serving as faculty advisor, the staff has worked hard to give the students a complete account of school news.

Many innovations have taken place with this year's TORCH staff. For the first time co-editors, Betsy Nida and Dick Basch, headed the staff. A new printer was chosen to bring color and new effects into the paper. Two reporters from each class helped to achieve better school coverage. The "Dial a Date," a student telephone directory, was published.

News Editor Joy Solove and her assistant, Gerri Shkolnik, assigned stories, planned the make-up, and thought up interesting features for the front and back pages. Feature Editor Sue Strahm, assisted by Judy Grant, was in charge of the feature page. Sports Editor Dave Spitler, with Bob Connell and Bob Ringer, covered the athletic events for the year. Larry Krakoff served as Business Manager and Joyce Smith and Jim George were the art editors.

The TORCH staff will never forget Saturday morning makeups . . . no headline type . . . Jim's lifesaving cartoons . . . the TORCH office . . . deadlines . . . Dial a Dates . . . the Christmas issue . . . "Are the assignments out yet?" . . . and the wonderful times working on this year's TORCH.

Back row: Harlan Pollock, Dave Goss, Monty Sher, Trudy Halasz, King Ming, Jack Betz, Jock Moody, Phil Becker. *Front row:* Karen Walker, Patti Jones, Mr. Howell, Sandra Montgomery, Saundra Dombey, Beverly Fleishman, Joanne Angell, Mary Elberfeld.

Bexleo

Hard work and a goal of perfection might be the qualities given to our '55 BEXLEO staff. Not to be outdone by the medalist rating given last year's book, we have added two new sections, produced the biggest BEXLEO ever, and — our greatest achievement — given you color.

In considering a theme for the BEXLEO this year, our staff deliberated many hours before finally arriving at the idea of Bexley's tradition of excellence. We have tried to show you how this excellence enters into all phases of our school life and have used the traditional "Leo" throughout the book to represent the overall school spirit of Bexley.

No staff could publish a good yearbook without the aid of an excellent advisor. We are especially grateful and indebted to Mr. Howell for his advice and assistance.

This year's BEXLEO staff includes: Sandra Montgomery, editor; Saundra Dombey, associate editor; Mary Elberfeld, literary editor; Phil Becker, art editor; Harlan Pollock, business manager; Jack Betz, advertising manager; Jock Moody, boys' sports editor; Karen Walker, girls' sports editor; Beverly Fleishman, senior section editor; Patti Jones, activities editor; Trudy Halasz, clubs editor; Joanne Angell, faculty editor; Monty Sher, Dave Goss, and King Ming, business assistants.

National Honor Society

One of the greatest honors that can be awarded to a student is to be elected to National Honor Society.

Character, Scholarship, Leadership, and Service are the four qualities on which membership is based. No more than fifteen percent of the senior class and no more than five percent of the junior class may be considered.

Quill and Scroll

Quill and Scroll is the international honor society for high school journalists. To be eligible for membership a student must be in the upper third of the class and be recommended by the publications advisors. The purpose of Quill and Scroll is to stimulate interest and to reward individual achievement.

Back row: Barry Wolman, King Ming, Dave Spitler, Jack Betz, Larry Kradoff, Monroe Sher, Harlan Pollock. *Front row:* Judy Grant, Beverly Fleishman, Joy Solove, Betsy Nida, Sandra Montgomery, Saundra Dombey, Barbara Hays, Mary Elberfeld. *Not in picture:* Grace Strahm.

Choir

Our choir, under the direction of Mr. C. Robert Myers, consists of seventy-three girls and boys. The members are chosen from the Glee Clubs by means of individual tryouts.

The choir performed at the Thanksgiving, Christmas, and Easter assemblies this year. On December 12 the choir sang for the Ohio State Music Teachers Association. They also sang at Capital University on February 18.

One year the choir presents an operetta and on alternating years a variety show. On May 5 and 6 the operetta "New Moon" was presented. This was a great undertaking for the choir since it was the first time that a full length operetta had been given.

The officers of the choir were Rosemary Given, president; Ellen Taylor, secretary-treasurer; Ted Schwartz, social chairman.

Bexley High

The members of the 1954-55 Bexley High School Marching Band have had many events to remember. The band had the fortune of attending the Ohio State - Iowa football game. Preceding the game, a picnic was held in honor of all the hard work the band had put forth in producing the half-time shows for Bexley's football games.

At the close of the football season the band member's feet were given a rest and the Bexley High School Concert Band was formed. The band participated in two concerts, one in April and one in May. The band also performed in the Band Parents' Minstrel Show. In the district and in the

state music contests, to the delight of Mr. John Stanton, band director, many received superior ratings.

During a lull before the two concerts, the band took a trip to Cleveland, Ohio, to see the King Instrument Company. In terminating the 1954-55 season, the annual band banquet was held at the Columbus Country Club.

This year's band was headed by Phil Becker, president; Annette Herr, vice-president; and Judy Knaell, secretary-treasurer. The band had a very successful year, one that will not be forgotten.

clubs

Bexley High School has grown by leaps and bounds in the past few years, and her clubs have been indicative of her progress.

The great participation in organizations by students this year has made for more and better activities, including dances, banquets, and trips, as well as varied and interesting programs at meetings. The enthusiastic participation of students in these clubs has created a spirit of unity, friendship, and fun.

"La Faim est un Grand Inventeur" was given by the members of French Club.

Spanish Club

Among the Spanish Club speakers was Phil Becker, who gave a talk about his trip to Cuba. In April the club took part in a city-wide Spanish Club party at South High School, presenting a short skit in Spanish. Latin Club

The highlight of the year for the Latin Club is the big banquet given in the spring. The theme this year was "Mount Olympus, home of the gods." The members, who were treated "like gods," ate a turkey dinner and were entertained by a skit. The master of ceremonies for the Roman banquet was Charles Lindenfeld.

At the beginning of the year, the new members, called "slaves," were asked questions as an initiation ceremony.

One of the most interesting meetings of the year was the one at which Father James Bergola, an Italian priest, gave a talk. Father Bergola, who spent sixteen years as a missionary in China, speaks several languages, including Chinese. As a money raising project, the club sponsored a basketball dance.

Activities were supervised by Mrs. Wylie, President Delores Hawraney, Vice-president Norman Haller, Secretary Cynthia Bone, Corresponding secretary Nancy Dickey, and Treasurer Tom Brooks.

Dramatics Club

With Mrs. Amos as their advisor, the largest Dramatics Club ever organized at Bexley High School had a most successful and gratifying year. Officers elected in the fall were Sandy Boesch, President; Bob Cohen, Vice-president; Suzanne Feitlinger, Secretary; and Janie Kearns, Treasurer. All year long the group worked toward receiving a National Thespians charter, and at last thirteen members became qualified to join this society.

The meetings of the club were varied and interesting. Among the speakers were Mr. Warren Troust of Capital University, who gave a demonstration on techniques of make-up; and Mrs. Kaplan of Gallery Players, who talked about techniques of costuming.

At Christmas time the Dramatics Club put on a play entitled "Star Song." Next year the organization hopes to sponsor an evening of several short plays enacted by members of the club and members of the dramatics class.

Music Club

One of the big projects of Music Club this year was singing for the children's Christmas party at the Art Gallery. Many of the club's programs were put on by the members themselves. For instance, at one meeting Warren Widrich danced and at others the Freshman Ensemble and Stu Martin sang. One of the most interesting programs of the year was a contest to find out which members knew the names and composers of the most records that were played. Winners were Pat Shaman and Nancy Cowan.

Near the end of the year in March, the club sponsored a very successful Spring Frolic Dance.

Under the leadership of Rosemary Given, President; Pat Denser, Vice-president; Ellen Taylor, Secretary-Treasurer; and Mr. Myers, advisor, the Music Club had a very worthwhile year.

G. A. C.

Aside from offering Bexley girls almost every sport imaginable, the Girls Athletic Club sponsors many activities. Hockey Night and Class Night were fun for all. In April the swimmers and modern dancers put on a very successful show at the YWCA. President, Joy Harrison; Vice-president, Linda Lucks; Secretary, Gerri Shkolnik; and Treasurer, Phyllis Bamberger were advised by Miss Love.

Varsity B

Any letterman is eligible to become a member of Varsity B. This year's group had Ted Schwartz as president, Peter Halliday as vice-president, and Harlan Pollock as secretary-treasurer. Mr. Tenwalde acted as advisor. The main activity sponsored by the club this year was the polio dance at Jeffrey Mansion.

sports

Sports offer a broad field in which to strive for excellence.

There have been few seasons during which Bexley teams have not shown well in competition. Our coaches and athletic squads have striven for more than merely winning scores, however. Individual character, teamwork, and a true regard for the rules of sportsmanship have always been emphasized in our school.

Sports, major and minor, are well integrated with the general program of physical education and health. Girls' sports too, while not widely interscholastic, are of great and growing importance at Bexley.

The Football Season

Bexley's 1954 football season was a better than average one as the Lions finished with a 7-2 record.

In the preview Bexley whipped South 13-0, with Halliday contributing a long T.D. run and Schwartz passing to Halliday for the other touchdown. In the East-Bexley preview game, Rod Dollison blocked a conversion attempt that would have given East a tie and Bexley won 7-6.

Halliday ran wild in the Logan game, scoring three touchdowns to give Bexley a 32-6 victory.

Bexley, with its eye on the C.B.L. title, dropped the next game to league-leading Urbana by missing all three points after T.D. attempts.

In the Arlington game Bexley shut out Coach Rose's boys by winning 20-0.

The "Mud Bowl" game with Delaware was lost after Delaware held Bexley on the two yard line.

In the homecoming game with Grandview, Bob Carter went 63 yards, Ronnie Cline 31, and Rod Dollison 20, all for scores. The final score was 20-0.

Without extending themselves the Smith men picked up another win at Mt. Vernon, 12-0.

The Washington C.H. game, a high scoring brawl, saw Bexley again on top, with a score of 30-20.

In the final game of the season, Columbus Aquinas fought all the way, but was beaten, 13-12.

The Basketball Season

Coach Smith's boys finished the 1955 season with a bang, coasting to an undisputed C.B.L. title on an eleven game winning streak, and setting a new single game scoring record of 83 points in the last game.

After a slow start, the Lions hit their stride in the January 13 Urbana game and were never headed. Jeffrey and company cinched at least a share of the title as they won the revenge game with Mt. Vernon 47-45, the two point margin being Hubert Winebrenner's two foul shots with five seconds left. The Lions took undisputed possession of the title in the Upper Arlington game, the last regular game, in which Captain Walter Jeffrey scored 21 points — the first time he had been in the 20's. Al Kass finished the season with a total of 183 points, which made him second high scorer in the C.B.L. In the district tournament Bexley was defeated in the semi-finals after disposing of three rivals. The reserves had their share of glory as they won the reserve C.B.L. title.

Back Row: Phil Goldslager, Stan Robins, Sandy Shkolnik, David Wiggins, Jerry Hockman, Wendell Kessler, Jeff Nacht, Coach Swinehart. *Front Row:* Ronnie Feerer, Thom Marsh, Gary Cheses, Dave Feinstein, Dave Goldfarb, Jack Lucks, Larry Dauber, Dick Shenk.

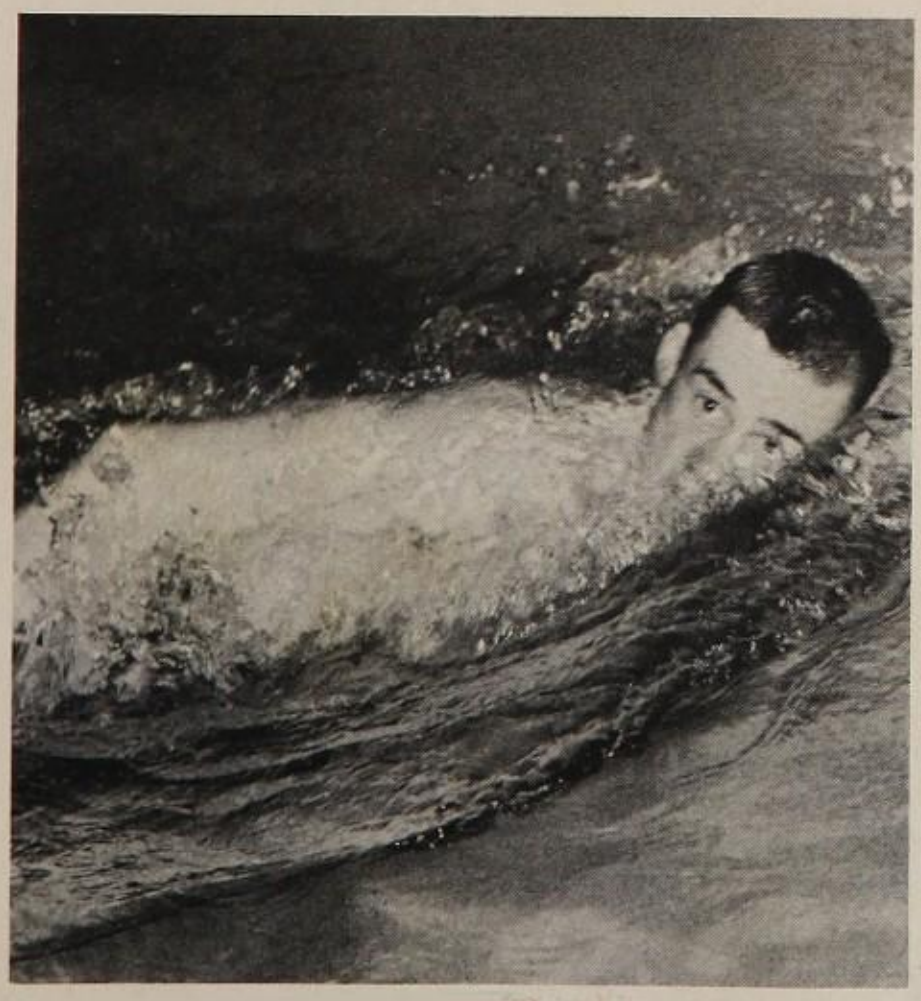
Swimming

Coach Owen's 1955 tankers finished the season with an enviable record of four wins and one loss. Led by Co-Captains Bob Connell and Jock Moody, who placed one - two in both the 50 and the 100 yard freestyle events in the District, the team took third in the city, fourth in the District, and second in the City Relay Championships. The 200 yard freestyle relay team of Cline, VanBibber, Moody, and Connell set a new City Relay record of 1:41.0 for the distance, a record that should stand for quite a while. In the Ohio State School meet Bob Connell placed first in the 100-yard freestyle, with a time of 54.5.



Back Row: Mr. Swinehart, Frank Wilson, Stan Levinson, Sandy Shkolnik, Scott Burns, Charles Miller, Dennis Van Bibber, Lee Ross, Bob Blume, Jim Mason, Buddy Ewart, Bob Barker, Wendell Kessler, Jerry Hockman, Mr. Owen. *Front Row:* Don Fleming, Rod Dollison, Bob Connell, Pete Halliday, Dave Spitler, Dave Van Blaricon, Bill Cones, Jack Betz, Dave Fleming.

Track

Coached by "Lefty" Swinehart and Russ Owen, the trackmen have a good chance for a repeat capture of the C.B.L. track crown. According to the coach, the title will be a toss-up between Bexley and Arlington. This year's team is a well balanced combination, liberally sprinkled with seniors. The team has good depth in the sprints but is having difficulty in taking the field events.

Setting the pace for this year's team are Dave Van Blaricon and Dave Spitler in the field events, and Bob Connell and Pete Halliday in the track events.

The school record for the 880 relay was smashed by the team of Betz, Ross, Connell, and Halliday with a time of 1:34.6

RESERVE SQUAD — *Back Row:* Dave Zisenwine, Nickey Baird, Gary Bloom, Jim Sebring, Bob Bobbitt, Bill Hampton, Larry Niermeyer. *Front Row:* Arnie Nettleman, Keith Noethlich, Frank McGavran, John Southworth, Herb Minkin, Dick Edminster, Ronnie Reich.

Back Row: Tom Brooks, Norman Haller, Pat Morin, Mike Kilbourne, Alfred Kass, Dick Cooper, Gary Davis, George Henning, Mr. Tenwalde. *Front Row:* Leslie Wexner, Ted Vogely, Bob Doak, Jerry Cooper, Ted Schwartz, Jeff Nacht, Ted Kolva, Stan Robbins, Bob Carter, Dick Shenk.

Baseball

Although he doesn't expect the 1955 baseball team to take the C.B.L. title, Coach Ben Tenwalde expects the squad to finish among the league leaders. This year the baseball team is loaded with power and talent, including six returning lettermen. Another factor that should bring success this season is the experience of a large number of the team.

Among the diamond stars are pitchers Al Kass and Ted Schwartz; infielders Mike Kilbourne, Jerry Cooper, Ted Kolva, and Jeff Nacht; and outfielders Bob Doak, Norman Haller, and Bob Carter. With this talent available, the final standing should be well up in the percentage column.

RESERVE SQUAD — *Back Row:* Paul Neal, Bryan LaRue, Gene Hite, Dury Suddeth, Jim Jones, Bob Williams, Dick Graham, Oscar Fleckner *Middle Row:* Joe Schlonsky, Ronnie Root, Rusty Reese, Sandy Slobin, Neal Noethlich, David Story, Don Elsass. *Front Row:* Bob Cummings, Bob Ainsworth, Dave Goldfarb, Dave Feinstein, Dick Long, Bill Dickinson, Doug Metz.

Girls' Sports at Bexley

An excellent athletic program is outlined for the Bexley girl, regardless of her ability. In the intramural area, girls have the opportunity to participate in sports between classes or homerooms. Teamwork and enjoyment for all are the principal goals of the intramurals. An interscholastic program, which is restricted to the better qualified athletes, includes hockey, golf, basketball, and tennis. The enthusiasm and sportsmanship of every girl participating leads to many winning teams and loads of fun.

There are fourteen sports in the program from fall to spring They range from team sports such as basketball, hockey, and volleyball to individual sports such as tennis and swimming. From the first day in September to the last day in June, the Bexley girl is kept busy with this outstanding program.

This year, on April 19, a swimming show was given at the Y.M.C.A. On basketball night Sue Fleming, this year's sports queen, was crowned by basketball captain Chubby Jeffrey and was awarded a silver medallion inscribed with "Sports' Queen, 1954-1955." Programs such as these uphold the motto of the Girl's Athletic Program — "There is something for everyone."

lighter moments

These are the moments when we forget our books and worries, and with happy hearts participate in the socal whirl. These are our gay moments — our happy times. Our dates, our dances, our theatrical flings all combine to portray the highlights of our high school lives. These pictures record the echo of prom music and the memories of grease paint and dress rehearsals.

Here, as in our teen-age memory books, we have recorded those activities which constitute the larger portion of our high school lives.

faculty

We bear witness to the skill and zeal of our faculty, without whose guidance our quest for excellence would be vague in purpose and limited in scope.

We can well believe that our teachers' pride in the achievements of Bexley students is no less great than our own. Year in and year out, as we have grown from childhood into mature adolescence, our teachers have grown with the better changes in education, alerting us to newer needs for modern living, while clinging to the permanent values of unchanging morality.

Administration

C. W. Jones, Principal E. D. Jarvis, Superintendent R. E. Kessler, Director of Business

In these changing times, when school problems are being complicated by zooming enrollments, we are grateful for administrators who plan wisely for our needs. We are equally grateful for public-spirited members of the Board of Education, who without pay and at great sacrifice of time and energy make provision for the expanded school program, guaranteeing the facilities and personnel to help us maintain the Bexley tradition of excellence.

Mrs. AMOS, whose main interest is the theater, teaches English, speech, and dramatics. When she is not busy staging a play, she sponsors the Dramatics Club. She hopes to begin a chapter of the National Thespian Society, a high school actors' group.

Mrs. BARR, who has spent three years at Bexley teaching English, is a junior class adviser and sponsor of Y-Teens. She enjoys watching baseball games and television shows, especially "Hallmark Theater." She likes to collect antiques and to travel. She plans to take a trip this summer.

Miss BETHEL, who teaches typing and shorthand, likes to read and to listen to symphonies. A favorite pastime of hers is to attend antique auctions. In her spare time she enjoys watching television, especially drama shows. She dislikes ice and snow.

Mr. BORING, teacher of biology and chemistry, was critically injured in an automobile accident and has been obliged to watch much of the year go by from the sidelines. His courage and determination have been matched by the solicitude of all our students and faculty.

Miss CLOSE is spending a busy second year at Bexley teaching English and history and advising the cheerleaders. She participates in surveying and mapping expeditions and in travelling through the West. Last summer she toured in Canada and the Pacific Coast.

Mr. DUFFEY, in his thirteenth year at Bexley, teaches industrial arts and physical education. Being faculty manager of athletics and coaching tennis take up most of his spare time. He enjoys watching sports on television. This summer he hopes to travel.

Mr. FERBRACHE, teacher of general mathematics, divides his spare time between hunting, fishing, travel to historic places, and his farm near Westerville. He likes all things which pertain to the out-of-doors.

Mr. FIELD finds that his job as history teacher, his home, and his children, Betsy and David, keep him too busy to participate in his favorite pastimes, gardening and woodworking. However, he can always find time to eat his favorite desserts, English Plum Pudding and Yorkshire Pudding.

Mrs. GIBBS, who has been at Bexley only one year, says she finds the people here very friendly and co-operative. Teaching Latin and English and taking care of her home keep her quite busy, but she enjoys reading and knitting in her spare time.

Mr. HOEL, an enthusiastic gardener, teaches biology and physics. Aside from his many school activities, he is president of the Ohio Science Association and is active in the Ohio Academy of science. His pet peeves are students who leave class.

Mr. HOWARD, who has been at Bexley for one year, teaches biology. His pet peeves are the "crib" notes students use during examinations. In the summer he enjoys fishing and playing golf, but he likes hunting in the fall. Like most of us, he dislikes working.

Mr. HOWELL, who teaches French and American history, is in his twenty-fifth year at Bexley. He has been the BEXLEO advisor for thirteen years, except in '52 and '53. He is proud of the Medalist rating of the '54 yearbook. Mr. Howell is Secretary-Treasurer of the Ohio Modern Language Teachers Association. He spoke at the annual Foreign Language Conference at the University of Kentucky in April.

Mrs. LIEFIELD, who has been at Bexley High School for only one year, likes to travel. During the last few years she and her husband have toured Cuba and Mexico. Although she is busy teaching Spanish, she finds time to sponsor the Spanish Club and to be an advisor to the junior class.

Miss LOVE spends the summer months playing golf, both for fun and in tournaments. When school begins her main activities are teaching physical education and health. Those horrible rainy days during hockey season are her pet peeves. She is the sponsor for G.A.C.

Miss McCURDY teaches first and second year English. She is the advisor to Y-Teens and the freshman class. Her many interests include sewing, handcrafts, traveling, photography, and the outdoors. Carlton H. Smith, M. S.

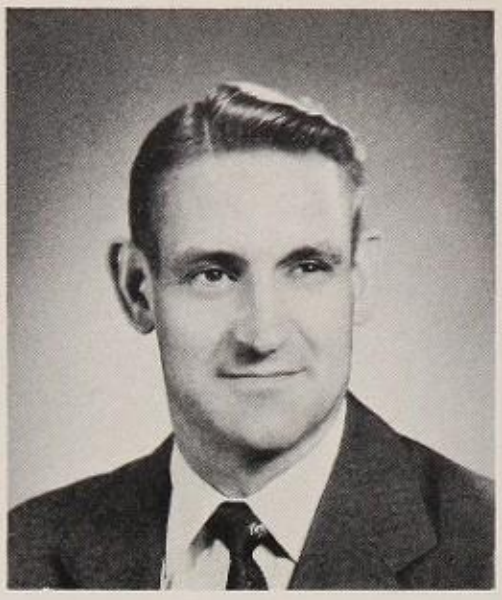
John Stanton, M. A.



Dana N. Swinehart, M. A.

Harold Tenwalde, M. A. in Ed.

Mr. STANTON, who is very busy with the band and with music in the junior high school, is enjoying new quarters in the beautiful band room addition. He likes concerts and reads all kinds of science fiction. The band performances are a highlight of the football season.

Mr. SWINEHART, in his thirteenth year at Bexley, teaches freshman algebra, health, and physical education. He is the coach of the reserve basketball team, assistant coach of the football team, and head coach of the track team. Besides coaching, he enjoys hunting and woodworking.

Mr. TENWALDE, who coaches football and baseball, has been at Bexley four years. Besides teaching algebra and geometry, he advises Varsity-B. During the summer he spends many enjoyable weekends at Mitiwanga.

Miss THOMAS, dean of women, teaches home economics and social practice. When she is not busy with the F.T.A. or Y-Teens, which she sponsors, she finds time to sew. In the evenings she enjoys watching television programs, especially "I've Got a Secret" and "Masquerade Party."

Mr. TIPTON teaches economics, sociology, and government. He is dean of boys and advisor to the Student Council and the Student Court. Selling real estate takes up his spare time, but he enjoys visiting his farm on week ends.

Mr. TRIVELLA, who teaches art, has been in Bexley High School for thirteen years. He is the advisor for the Art Club and the Stage Craft Group. Gardening, photography, painting, and travel take up most of his spare time. His pet peeve is people who talk while others are talking.

Miss WYLIE has always enjoyed traveling. Last summer she spent a month touring Mexico and California. Her main hobby is art. During the school year she spends her time teaching Latin and English. As an extra activity she sponsors the Latin Club.

As our school has grown in size and improved in quality, our publications have assumed added responsibilities and obligations to the school and to the public.

The Bexleo *endeavors to capture the drama of each school year and to reveal it in picture and story. This is a costly project which must justify itself by surpassing each year the achievement of the year before, in keeping with our tradition of excellence.*

The Bexleo *could not even attempt to function without the devotion of our parents, the public spirit of our professional men, and the loyalty of our advertisers. We are deeply grateful to all of them.*
